

Arc Monitoring shows range of products at the Security TWENTY 19 Manchester Conference and Exhibition

Arc Monitoring will showcase their range of services at Security TWENTY 19 Manchester.

Set in the central location of the Principal Hotel in Manchester on Tuesday, 2 July 2019, the Conference will bring together top security industry speakers and is supported by a large exhibition of cutting edge security products and services. Doors open at 8.30 am allowing access to the exhibition with the conference running between 10.00 am and 1.30 pm. The exhibition will close at 4.00 pm.

Arc Monitoring will be showing its CCTV & Alarm Monitoring services.

Please come along and join us to keep yourself up-to-date with our latest innovations.

About Arc Monitoring

Established in 1999, Arc Monitoring is an NSI Gold Approved CCTV Monitoring & Alarm Receiving Centre, working with professional Installers across the UK.

Our BS5979 and BS8418 compliance is evidence that we hold ourselves accountable to the highest possible standards of delivery. However, what makes us a leading provider of monitoring services to businesses and homeowners alike is the calibre of our people.
